Key Biscayne, FL | to399676@ucf.edu | LinkedIn: linkedin.com/in/tomas-genatios-arenas-8b5062387 |  
Portfolio: tgneatios.github.io

Honors Computer Science student with experience in drone-based data capture and GIS mapping (ArcGIS) for coastal flood and storm-risk analysis. Built foundational programming skills in C, Python, and Java through coursework; experienced collaborating on short-deadline technical projects. Seeking a software engineering or data-focused internship to continue developing practical, real-world solutions.

## EDUCATION

---

**University of Central Florida (UCF), Orlando, FL** May  
2028 (anticipated)  
B.S. Computer Science | GPA: 4.0/4.0 | President's Honor Roll (Fall 2025)

## SKILLS

---

**Technical Skills:** C, Python, Java; ArcGIS; Git/GitHub; Microsoft Word, Excel, PowerPoint  
**Languages:** English (Native), Spanish (Native);

## WORK EXPERIENCE

---

**Drone Pilot and Data Analyst Assistant, Digital E Consulting, Miami, FL** Summer  
2024; Summer 2025

- Captured aerial imagery and field data supporting flood, storm surge, and king-tide risk analyses.
- Organized and prepared datasets; produced ArcGIS maps and geospatial outputs for risk communication.
- Collaborated with a small team to meet short project timelines and quality expectations.

**Drone Data Capture Intern, ENRIR LLC, Miami, FL** Nov  
2025 – Dec 2025

- Collected drone imagery in coastal areas for risk modeling and documentation workflows.
- Planned flights and managed captured data while following operational and safety procedures.

## LEADERSHIP

---

**Founder and Vice President, ASPRS Miami Dade College Chapter, Miami, FL** Sep  
2024 – Present

- Co-founded a student chapter promoting photogrammetry, remote sensing, and geospatial career exploration.
- Supported the Climate-Eye project assessing king-tide impacts using drone data and GIS.

## VOLUNTEER EXPERIENCE

---

**STEM Tutor (Volunteer), FIU ENLACE Program, Miami, FL** 2022 –  
Present

- Tutored elementary students from underserved communities in STEM concepts and activities.

**Math Tutor (Volunteer), CITECI Formación (remote), Caracas, Venezuela** 2021 –  
Present

- Provided online tutoring in Algebra and Geometry; adapted explanations to individual learning needs.

## CERTIFICATIONS

- 
- FAA Remote Pilot Certificate (Part 107)
  - PADI Open Water Diver
